THIS IS THE
SNOW MACHINE
THAT MAKES
THE SNOW

ABOVE THE CLOUDS

THE WORKERS WHO WORK THE MACHINE ARE ELVES. THEY DON'T NEED ANY TOOLS. THEY JUST WHISTLE AT THE ENGINE AND IMMEDIATELY THE SNOW BLOWS TO PLANET EARTH

WHAT HAPPENS WITH
ALL THAT SNOW?

FIRST
THE BLANKET MAKERS KNIT THE
SNOW INTO A BLANKET AND
CONSEQUENTLY PUT THE SNOW-
BLANKET EXACTLY OVER
EVERYTHING

NEXT THE WIND SHREDS THE
BLANKET INTO PIECES AND BLOWS
THE SNOW INTO DRIFTS

NEXT THE SNOWPLOUGHS ATTACK
THE DRIFTS

AND GET STUCK!

NEXT THE ELVES MAKE SOME
MORE SNOW

AND BURY THE SNOWPLOUGHS
AND THE SANITATION WORKERS

LUCKILY SOME DIFFERENT VERY
NICE ELVES DIG A TUNNEL THROUGH
THE SNOW AND BY PLAYING
EXTREMELY PRETTY ELF-MUSIC BRING
JOY TO THE HEARTS OF THE
SNOWPLOUGHS AND SANITATION WORKERS

NEXT THE FAMOUS LION OF MARCH
JUMPS ON TOP OF THE MESS AND
THROWS $2\frac{1}{2}$ MILLION HOT SUNRAYS
AT THE SNOW

AND EVERYTHING MELTS!

EVEN THE SNOWPLOUGHS!

NEXT THE SANITATION WORKERS
QUICKLY GET OUT THEIR
BATHING SUITS

AND SWIM AWAY AS FAST
AS THEY CAN

AND FINALLY THEIR
WIVES PULL THEM OUT OF THE WATER
AND THEIR KIDS HELP THEM

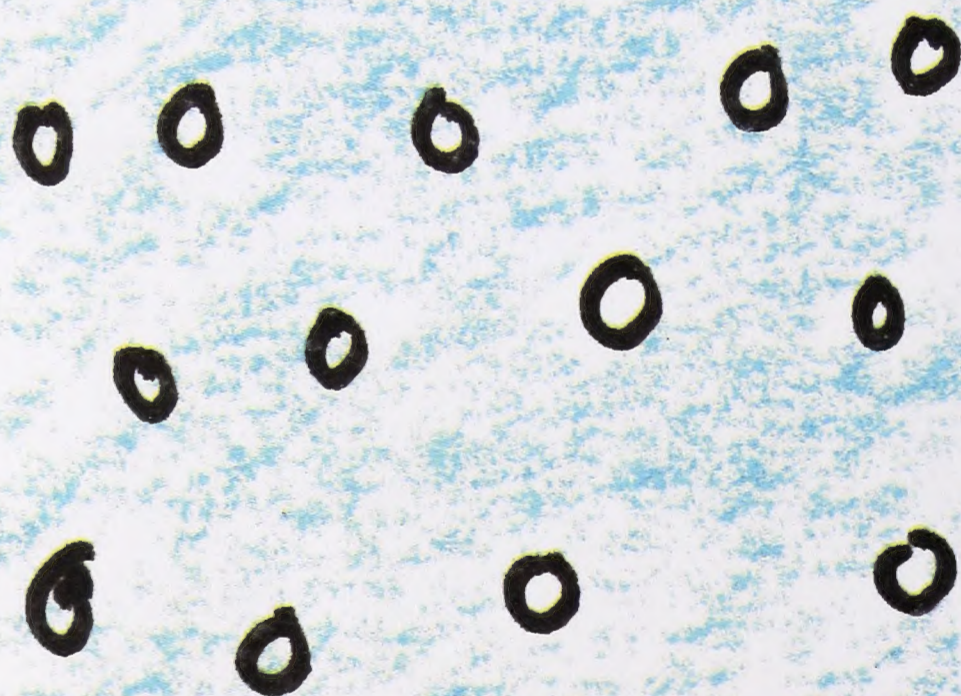

AND GIVE ^{THEM} MEATBALLS TO EAT
AND THEN THEY FEEL BETTER
